1 About this Document

This document explains the newly added Slot Booking Functionality in the GMAX application portal and CMS desktop application.

Rest of the functionalities in GMAX application are the same/unchanged.

2 Slot Booking in GMAX Portal

This section will explain how to book a slot in the GMAX portal.

Prerequisites:

- AWB should be created
- CO should be approved
- TSP should be generated
- Vehicle Token should be generated

Access Path: GMAX → Exports → CSC-GEN → Switch to Exports

Following is the **Switch to Exports** screen:

Note 1: Exports dashboard shows Air waybill(s) for last 3 days only, to view Air waybill(s) created earlier than that, please search the Air waybill and perform necessary actions accordingly.

Note 2: Complete Air Waybill detail is required for filing "ASI - Advanced Shipment Information" by MIAL security agency, Airline(s), Custodian and other key stakeholders. Kindly record the same on "Create AWB" page after clicking on "Add New AWB" option or contact your forwarding agent to provide this information electronically to you for further processing.

Note 3: Air Waybill information captured by forwarding agent on GMAX portal can be accessed by CHA online. Please search for the Air Waybill by inputting required Air Waybill no. in the text box provided next to "Search AWB" field. Once Air Waybill details are displayed, click on "Attach" option to link this Air Waybill to your Organization/User ID. In case, Air Waybill doesn't exist, please contact your forwarding agent.

To generate a Vehicle Token:

1. Select the Air Waybill whose token needs to be generated and click **<Generate Token>** as shown below:
